Agenda for the Legal Gap Analysis Workshop

Date	09-10 December 2020 (2 days)	
Venue	Zoom Online Meeting	
Aim	Within the scope of the “Addressing of Invasive Alien Species Threats in Terrestrial Areas and Inland Waters in Turkey” Project, this Workshop aims to support the development of a legal base for the prevention and control of the legislation and identification of legal gaps. In this workshop, it was aimed to discuss the gaps identified in the national legislation on the basis of the Regulation (EU) No 1143/2014 of the European Parliament and of the Council of 22 October 2014 on the prevention and management of the introduction and spread of invasive alien species, and to gather information and opinions from the participants regarding these.
